The Community Voice: Needs Must/ Pan fo Angen portfolio of projects is funded by the Big Lottery Community Voice grant scheme. Our aim is to increase the voice of citizens and especially those most marginalised in local policy and planning processes. Consisting of seven Bridgend County Borough third sector projects, Bridgend Association of Voluntary Organisations is the lead organisation.

Help make Bridgend a better place for the over 50s

It's a fact that as we grow older our needs change. Service providers want to hear from people aged 50+ to help them plan for the future.

Join us online or come to one of our local groups and have your voice heard.

Who are we?

SHOUT Bridgend is an independent, non political group for the over 50s. We get involved in local issues and make sure decision makers (Council, Health Board and others) consider the needs of Bridgend residents over the age of 50. We're pleased to work with local government, health providers and other organisations to help achieve this. Our members participate in consultations relating to the Bridgend area, Western Bay Health Service area and on national issues if they affect over 50s.

Our meetings

Our main meeting is at 10.00am on the third Wednesday of the month and is held at the Evergreen Hall, Angel Street in Bridgend. It's at this meeting that we listen to speakers and discuss issues affecting Bridgend and our community.

We enjoy a cup of tea or coffee and through lively debate and discussion decide what we want to speak up about as an organisation. We also have groups in the Garw Valley and Kenfig Hill where our members discuss local issues and socialise.
